## The Beatitudes Mt 5:2-12

- As I'll find it's important for me to read and teach them, saying*
- 1 "Blessed are you poor in spirit, for yours is the kingdom of heaven.
  - 2 "Blessed are those who mourn, for they shall be comforted.
  - 3 "Blessed are the meek, for they shall inherit the earth.
  - 4 "Blessed are those who hunger and thirst for right righteousness, for they shall be satisfied.
  - 5 "Blessed are the merciful, for they shall receive mercy.
  - 6 "Blessed are the pure in heart, for they shall see God.
  - 7 "Blessed are the peacemakers, for they shall be called sons of God.
  - 8 "Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven.
  - 9 "Blessed are you when others revile you and persecute you and utter all kinds of evil against you falsely on my account.
  - 10 Rejoice and be glad, for your reward is great in heaven, for so they persecuted the prophets who were before you.

... some super-calculating intellect must have designed the properties of the carbon atom, otherwise the chance of my finding such an atom through the blind forces of nature would be utterly minuscule.' Of course you would. ... A common sense interpretation of the facts suggests that a superintellect has monkeyed with physics, as well as with chemistry and biology, and that no blind forces worth speaking about have ever been discovered. Numbers one calculates from the facts themselves. My conviction is overwhelming as to put this conclusion about the origin of life.
